

BEAMS AND SPANS LLP

TO WHOM IT MAY CONCERN

This is to certify that the structure belonging to St. Rama Meridian Academy to be constructed at VPO Pididi , near Rasulpur Nehra, Tarn Taran 143401 is designed by me.

The structure is designed in accordance with the provisions of the National Building Code of India, 2016 as amended from time to time and the relevant Indian Standard Codes including Bureau of Indian Standard Codes for structures resistant to earthquakes and other natural hazards. The local soil conditions, its load bearing capacity and the underground water table etc. have been kept in view while designing the same. The design of said structure will be safe against dead , live , seismic , wind loads and all combinations of Gravity and lateral loads when checked against IS 456 , IS 800 , IS 13920 and other relevant codes .
